PRICE LIST

Silas Wilson Nurseries

ATLANTIC, IOWA.

Office—Corner 5th and Maple Street.
Packing Grounds—7th St., South of Fair Grounds.
Telephone—No. 68.

REMARKS.

Nursery Stock, of nearly all kinds, has not been so scarce in twenty-five years and we believe only those placing orders early will be supplied.

I do not claim to have a thousand acres in nursery and one hundred green houses, but I do claim to have enough acres to grow a fine stock of the best trees and vines in the country.

Second: I solicit correspondence and a personal inspection of my stock. I feel confident that it will compare favorably with the best.

Third: Terms of payment must be cash before shipment. Those ordering will please give plain, explicit directions as to the manner in which goods are to be forwarded; whether by express or freight. Be sure to give post office, county and state.

Fourth: While we exercise the greatest diligence and care to have all our trees, etc., true to label, and hold ourselves in readiness on proper proof to replace all trees, etc., that may prove untrue, free from charge, it is mutually understood and agreed to between the purchaser and myself that my guarantee of genuineness shall in no case make me liable for any sum greater than the replacing of anything that may not prove true with varieties that are true to name.

Fifth: All stock boxed or baled and delivered on cars here at prices given in this list, 6 trees or vines at dozen rates, 50 at 100 rates, and 500 at 1,000 rates.

Descriptive catalogue mailed on application.
